Dear Hiring Manager:

My name is Nicole Barclay, and I am applying for a position in the accelerated second-degree BSN program at George Mason University. Upon looking for accelerated BSN programs, I was intrigued by the rigor and clinical experience provided through that of GMU. Learning that I have taken all of the required prerequisite courses, I am enthusiastic for the opportunity to apply for this program and hopefully be a part of such an outstanding institution.

I am a dedicated college student currently studying biology and psychology at Longwood University through the Cormier Honors College. I am a certified babysitter by the American Red Cross and have since devoted the majority of my time caring for kids. I have been privileged enough to serve as a camp counselor through Duke University, in addition to participating in organizations that have allowed me to volunteer and care for kids. My experience with children and adolescents along with my passion for medical sciences have prepared me for a career in nursing, which I would love the opportunity to pursue at George Mason University.

After reviewing my resume and application, I am sure that you will agree that I am the type of positive and driven candidate that you are looking for. If you have any questions, please do not hesitate to contact me at [nikki.barclay@gmail.com](mailto:nikki.barclay@gmail.com) or (214)-862-8070. Thank you for your time and consideration. I look forward to hearing from you soon.

Sincerely,
