

Making
a

SPLASH

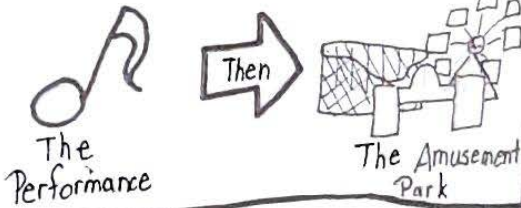

Jessi Behrens

1 We were introduced at band camp & became fast friends

2 Like many others, we made spring trip plans to hang out months in advance

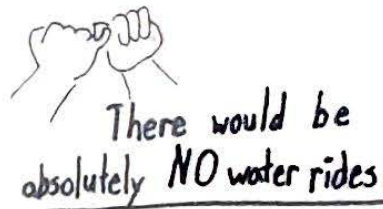

3 The Big Day

The Performance

The Amusement Park

4 We made a pact...

There would be absolutely NO water rides

5 Then, one might ask
? why
we ended up on the
log flumes.

Let me explain.

6 We grabbed a map,
chose a direction &
ran.

All was well.

7 But after an hour...

Maybe we're looking at this the wrong way?

Should we ask an employee for help?

Nah, they seem busy. I don't want to be rude.

I agree.

9 Luckily (or unluckily), Valerie made a big discovery.

10 The log flumes!

11 I wonder where the entrance is...

12 Oh... The entrance is right there.

13 Oh, no! She looks uncomfortable. She must really want to go on the log flumes, she probably doesn't want to ride alone. I don't want her to stop having fun because of me...

14 10 minutes of uncomfortable small talk later ☹

16 Why did you want to ride the log flumes?

Wait, I'm on this ride because I thought you wanted to ride.

So, neither of us want to be on here?!
