Ability to Interact with Peers			✓	
Overall Recommendation to the Longwood Social Work Program			✓	

Comments: I have so enjoyed serving as Brianna's Instructor. She is top-of-the-class in meaningful classroom participation. She shows her investment in the S.W. Program daily as seen in her dedicated completion of assignments, teamwork with other students, and overall discipline and enthusiasm. In my humble opinion, Brianna is going places.

This is the most accurate assessment of the student that I can offer at this time.
