U.S House of Representatives

Dear Mr. Scott:

Subject: Request to fix potholes on White Heron Point

Our damaged street has caused 5 car accidents in the last week, alone. The potholes on White Heron Point have become extremely dangerous, and they cannot be ignored any longer. My son was almost hit by a car yesterday, because the driver had to swerve suddenly to miss a gaping hole in the road.

These potholes, however, can be easily fixed with your support. If we efficiently reallocate money from other departments, we would have enough to fix all of the potholes in our county; ensuring safe roads for both drivers and pedestrians. As a parent of the 3<sup>rd</sup> district, I care deeply about the safety of our families.

Together, with your approval, we can encourage major growth to occur in our county. By fixing the potholes in our neighborhoods, they will be more desirable to prospective homeowners. 75% of families cite safety as the number one concern when considering a potential home purchase. By fixing these minor issues, our economy will be boosted by the increased interest.

I hope that you consider my request, and I look forward to hearing from you soon. If your schedule allows, I would like to meet with you to discuss this matter further. Please call me at 757-335-1658 or email me at [jakec065@gmail.com](mailto:jakec065@gmail.com) with a time that works for you.

Thank you for your time,

Jacob Compton
