Education

2015--Present

GPA

- Unweighted: 3.963
- Weighted: **4.194**

SAT Score: 1130

- Reading/Writing: 550
- Math: 580

Class Rank: 9 of 293

Advanced Classes

- English 9, 10, 11, 12
- Earth Science

Awards

2015--Present

Principal Honor Roll

- I have received this special honor roll 9th through 12th grade for receiving all A's throughout my high school career.

2018--Present

Presidential Scholar

- I received this recognition for continuing my success in school during difficult times. I was in a car accident in 2017, so I worked hard to keep my grades high after overcoming being out of school for months, dealing with injuries, and facing the loss of my mother.

2018--Present

Honor Graduate

- I am an honor graduate because I have a weighted GPA above 4.0.

2017--2018

Virginia High School League Creative Writing State Championship

- Out of every essay from the class, my essay was nominated to be submitted to the statewide competition. My school's folder (the six entries submitted from the only Creative Writing class) as a whole won the entire competition, which had never been done before. My school had never before won a Creative Writing State Championship, and winning in the 2017-2018 school year marked the second-ever state championship the school has won. My essay was a contributing piece of Dinwiddie High School history.
