

Walls: Brick or stone walls for the basement

shutterstock.com • 1133718707

Costumes: 1950's men dressed up but dirty and disheveled because they haven't been able to shower and living in this basement for a few days with only these clothes

Building that basement is in: old brick, most likely a hotel with a restaurant in it or for room service for the dumbwaiter

Basement lighting: Dim, bearbone, balb and wire, minimal lighting.
