Students: Reflect on your experience by answering statements below:

Tasks/Responsibilities

Visitation and resident assistance.

What did you learn about recreation/TR?

The tasks were different than the ones in
other homes, much more considerate of ~~what~~
what the resident wanted.

What did you learn about yourself?

Even something as small as organizing a
residents room can feel rewarding.

After your experience do you want to work in this setting or with this clientele? Why or Why not?

Definitely. I feel like my work makes a
much bigger impact here.
