Grocery Genie

Make every shopping trip magical

**Established in San Francisco,
California**

The Future of Shopping Has Arrived

Developed in sunny San Francisco, the Grocery Genie is a hands-free device that allows users to carry up to 100-lbs. of groceries. Utilizing GPS technology users can download the Grocery Genie app on their smartphones and Grocery Genie will follow you through stores as you shop. Grocery Genie fits into trunks and backseats for easy and convenient travel.

Once you arrive home, all you have to do is active your Grocery Genie app and it will navigate its way into your home!

With specialized compartments for you most fragile shopping items such as egg cartons and milk jugs, your Grocery Genie is perfect for all your shopping needs. Buyers have a choice of three different colors, blue, green, or red.

Grocery Genie is perfect for those with back issues who cannot lift over a certain amount, people who live in apartments with stairs, and your average busy shopper.

This amazing product can be obtained through four easy payments of \$100 a month. We are so confident that you will love your Grocery Genie that if you are not pleased you can return your product for your money back.
