

CUSTOMER TESTIMONIALS

"As an individual allergic to dogs their whole life, it was great to finally have a dog to call my own."

-Nancy Taylor, student

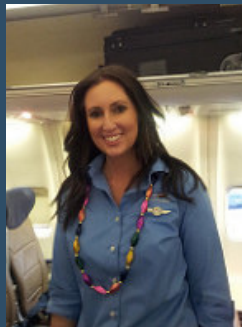

No more chasing after a dog in the park, having to worry about a leash, shedding, or cleaning up. Buying a Nano Bot was the best investment I ever made!"

-Bryan Luke, Business officer

"Wonderful help and companion for all ages. The essential oils released based on mood and movies displayed on request are a great pick me up."

Cheryl Thompson, Flight attendant

OUR MISSION

As founders of the NBS company, our mission is to help make the world a happier and better place one step at a time. To accomplish this ongoing mission, we have worked diligently to develop an innovative companion and unique experience known as the Nano Bot.

- Essential oil diffuser (scents are chosen based on mood)
- Tells time, weather, and precipitation for the day
- Has a built in planner and organizer
- Plays movies (by projection screen)
- Can catch flies
- Has a lifelong battery life

How Nano Bot works:

The Nano Bot is easy to use for people of all ages. It is a voice activated technology, where you simply speak its name, follow up with a command and watch it do its magic. This product has multiple functions, not only does it follow commands, answers questions, or provide you with a simple forecast it also detects a person's mood. If that person is feeling stressed, the robot will automatically turn on and ask a person if they would like to "distress" if that customer says "yes" the robot dog will begin aromatherapy by using the essential oil diffuser feature. This robot dog can play music and movies upon request, while also keeping the air purified and clean. This product also has a lifelong battery life, so it can do you household chores for life.

How much does Nano Bot cost?

Nano Bot costs \$750 (US Dollars) or just 6 payments of \$125! This is a lifelong companion that can plan out your day while also sweeping your kitchen floor. Such an amazing deal! When purchasing this robot dog, you receive a lifelong warranty. If anything happens, we will replace the whole robot! No questions asked!

Nano Bot is like anything you've ever seen, it is one of a kind providing all aspects of a friendly companion while also keeping you organized in your busy life.

Nano Bot can be beneficial for everyone in the family. This product is a stress reliever literally, taking care of all your personal needs. This high-tech robot dog can keep your house in tip top shape, while providing you with clean laundry daily!
