ABOUT FIT FRIDGE

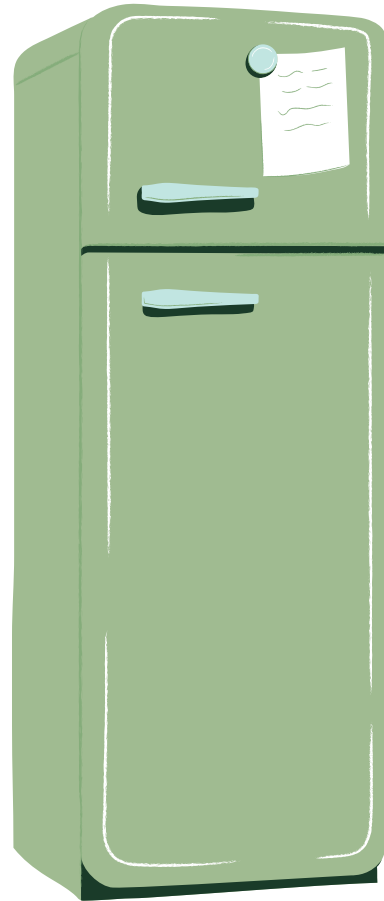

Fit Fridge is a motivational refrigerator that changes the way people will diet. It's first demonstration was in 2020 and received five stars for efficiency. This fridge takes dieting to a whole new level.

DESIGN FEATURES INCLUDED:

- Cameras on the door and weight sensors on each shelf work together to track how much and what you are eating.
- Bluetooth pairing with any nutrition app for easy progress reporting.
- Motivational quotes and beautiful images on it's 4k display.
- Customizable goals and settings.

FIT FRIDGE'S GOAL

Whether you want to lose weight, gain weight, or even maintain your weight, Fit Fridge can help you follow your diet plan.

OUR INCLUSIVITY BASED MISSION

Motivational Manufactures & Co. believe that Fit Fridge is not something that should create negative feelings in its users. Fit Fridge motivates and encourages instead of shaming for the harder days that come with dieting. Progress is not always linear and Motivational Manufactures & Co. want to acknowledge that.
