

**Research question:** Students who feel a distrust with administration, will feel negative attitudes towards the university's policies.

**Dependent variable survey question:** On a scale from 0-10, how beneficial do you think the policies Longwood enacted are at preventing the spread of COVID-19?

**Independent variable survey question:** Longwood requires all students, faculty, and guests to wear face masks on campus with few (stated) exceptions. Do you support the face mask policy at Longwood University?
