

## This Month's Birthdays

**June 1st-15th:**

Jeffrey Fountain—6/5

### Calendar Notes:

Please note that all programs that are designated to a floor are for the residents on that floor ONLY. We are doing our best to have equal activities on every floor to best serve everyone during this time.

If the event has "TV" followed by a number as the location, please tune your TV to said channel. If you need assistance, feel free to ask any staff member, or call (804) 553-2876 and we will assist you as soon as possible.

For events that are on all floors such as the Morning Update and the Ice Cream Cart, Resident Programs Staff will come to you, please do not come out and sit in the common areas to wait for us. The time listed for these programs is when the program starts, so please also be patient with us as you wait for your visit.

June 1-15,  
2020

## ANNOUNCEMENTS FROM YOUR ACTIVITIES DEPARTMENT:

- June's activity calendar will be released in 2 parts (June 1-15 & 16-30) to allow flexibility as the Coronavirus (COVID-19) situation continues to change around us.
- Because the CDC and State Health Department are encouraging social distancing, and discouraging the gathering of groups, all of the activities listed on this calendar are meant to be performed & enjoyed while practicing social distancing.
- Steps have been taken to limit close person-to-person contact with these activities, and we ask you to please do the same.
- We are monitoring the COVID-19 situation extremely closely as it continues to develop, & we will continue to take appropriate health precautions for our staff & residents.

**\*\*If you have any questions or concerns about the Activity Schedule, need activity supplies, or would like a visit from Angel or Angela, please call (804) 553-2876 and let us know. We will do everything we can to support you!**
