Core Universal Clinical Skills Form

Student Name: Kelsey Sweigle

Entry Year: 2019

Instructions: The student is responsible for bringing this form to campus lab and to the clinical settings. This form is to be signed off by your lab and clinical instructors. A copy of this form will be maintained in the student's permanent record and updated after each clinical course. In order to complete the course, you must receive a satisfactory (S) on all critical skills, which are labeled by an asterisk (*). Students will have up to *three* attempts to earn a satisfactory on critical skills. If you receive *three* unsatisfactory grades on a critical skill, it will constitute as a course failure and you will receive a grade of a D per the Academic Progression Policy. In addition to the critical skills, all other skills must be checked-off by the end of the designated course.
