

MOLLY DESQUE

mdesq03@gmail.com · [LinkedIn Profile](#)

Passionate and hardworking individual looking to guide middle school aged students through their journey in developing computational fluency, number sense and all necessary skills to be successful through their educational journey. Skilled in teaching grade levels six through eight, as well as tutoring skills which I gained throughout my undergraduate math studies. Dedicated to helping all students reach their maximum potential in both the classroom and the community.

EXPERIENCE

SEPT 2019 – CURRENT

MATHEMATICS TUTOR, LONGWOOD UNIVERSITY QUANTITATIVE REASONING DEPT

Coordinated with professors and students to direct, guide and strengthen student's content area knowledge and proficiency to understand all course materials. Through questioning and sample math problems, I identified student's abilities and areas of improvement, in order to create lessons and practice problems.

MAY 2020 – AUG 2020

SERVER, CASTIGLIA'S ITALIAN RESTAURANT

Delivered personable and attentive service to all patrons including assistance, order management, and special requests.

AUG 2016 – AUG 2018

GROCERY BAGGER, DAHLGREN COMMISARY

Bagged and organized groceries for customers and transported goods to patron's cars.
