Our camps:

- Explore a different STEM topic each week!
- Feature lively lessons, games, and experiments!
- Include excursions to high bridge trail, Longwood University, and more!

- 2022 Themes:**
- Super Space**
 - Weather Wizards**
 - Disease Detectives**
 - Amazing Animals**
 - And many more!**

At our camps led by trained educators and museum staff your child will:

Gain hands-on STEM experience,

Practice teamwork , and

Build Confidence

in a safe, supportive, and fun environment!
