

CAFE Consultants: We're here to help

In the spirit of continuous improvement, CAFE designed our consultant program for any faculty member, at any stage of their academic career. Our consultants are Longwood University faculty with extensive experience in their area of expertise.

Your options: one-on-one meetings, small group discussions, and larger workshops.

Please visit the specific consultant's blog for additional information. Click anywhere on this image or go to: <http://blogs.longwood.edu/longwoodcafe/faculty-consultants/>

Quantitative Research
