Dear Hiring Manager,

I am excited to apply for the Part-Time Assistant Men's Basketball Coach position at Penn State University. With my experience as a Division One basketball player at Longwood University and as a professional player with Torpan Pojat in Finland, I am eager to contribute to the development of student-athletes and support the team's success.

My time as a professional player with Torpan Pojat provided me with a strong foundation in competitive play, where I sharpened my skills in strategy, teamwork, and leadership. Following my professional career, my experience as a colligent player allowed me to deepen my understanding of the game, analyze player performance, and provide constructive feedback, enabling a growth-oriented environment. Additionally, my role as an assistant coach at a youth basketball camp allowed me to teach fundamentals and instill a passion for the sport in young athletes.

I am particularly drawn to this position at Penn State due to the university's commitment to excellence in both athletics and academics. I believe in the importance of mentoring student-athletes not only in their physical development but also in their personal growth, encouraging them to excel in all areas of their lives.

I am enthusiastic about the opportunity to collaborate with the coaching staff and contribute to the program's goals. Thank you for considering my application. I look forward to the possibility of discussing how my background and passion for basketball can positively impact the Penn State men's basketball program

Sincerely,

Leo Nordberg
